1.) A BOOMING BIG WELCOME!

Happy New Year and welcome to the inaugural issue of BOOMER BABES WITH BRILLIANT DREAMS, the #1 DREAM-ZINE for Boomer Babes and the Boomer Dudes who love them!

It was last year when I turned 51 that the idea to develop a new business began to take shape in my brain. It seemed everywhere I looked the topic of baby boomers jumped out at me, in magazines, newspapers, books, and even movies. It seemed everywhere I spoke women would share their stories of mid-life adventures and unexpected journeys. Perhaps the idea also began to crystallize then because my debut novel, [A Stitch in Time](#), had just released and it features a boomer woman as the lead character. I was also putting the finishing touches on my second novel, [One Little Secret](#), featuring, you guessed it, another boomer gal. I enjoyed writing fiction so much that I started work on another [book proposal](#) so my [literary agent](#) could pitch a series of new novels I wanted to write about...yep, you guessed it again...boomer women. There was no escaping the still small voice in my spirit that shouted: Boomer Babes Rock!

While my journey at the helm of the [God Allows U-Turns](#) outreach ministry has been incredibly rewarding, I'm finding myself phenomenally energized by the new direction my life and career focus is taking. As someone who has spent the past six years writing, speaking, and sharing my personal u-turn testimony all over the country and on literally dozens of national TV and radio programs, I've come to learn a powerful truth. While our past certainly shapes the people we are today, it's never too late to change the people we want to be tomorrow. I'm blessed to be able to live out my dreams while sharing my faith and focusing on my purpose. I started late in life. You can to. Everyone can pursue their dreams.

This Dream-Zine, our web site, and blog (co-authored by seven amazing women) have all been developed to empower and inspire Boomer Babes around the world to achieve the dreams of their heart. We dream big—now it's time to live big! Please take a few minutes to watch the video message on my home page that I've recorded just for you. Find out about all the exciting things we have in store for you, including contests, awards, prizes, and free things available on our download page.

It's never too late to make a U-Turn toward living a life of purpose that brings great joy, satisfaction, and peace. Making our dreams come true can happen no matter our age. Welcome aboard for the adventure of a lifetime. Make this the year to ROCK YOUR WORLD!

2.) BOOMER DREAMS

Richard Gere and Julia Roberts are locked in an embrace on the fire escape as the camera pans to Hollywood Boulevard where a man is crossing the street shouting to no one in particular, “What’s your dream? Everybody’s got a dream...what’s your dream?” It never fails that every single time I watch Pretty Woman, and I watch it a lot, that ending line always make me smile—because I’m blessed to be living most of my dreams. How about you? Are you living all or part of your lifelong dream? Or have you forgotten the dream of your heart—or worse, given up ever realizing the dream of your heart? Whether you’re living your dream or still dreaming your dream—we want to hear from you. If you’re blessed to be doing exactly what it is you were born to do—tell us how you got to this place. If you’re still struggling with the puzzling question of what you want to be when you grow up—tell us what you’re going to do differently this year to change your life. Share your BOOMER DREAMS with us in 200 words or less and we’ll feature them throughout the year right here in every issue of our Dream-Zine and on a special BOOMER DREAMS page of our web site. Write BOOMER DREAMS in the subject line and send via email to editor@boomerbabesrock.com . Refer to the Submission Guidelines at the end of this Dream-Zine for more information.

3.) TELESEMINARS & EVENTS

Besides losing weight and quitting smoking, do you know one of the most popular New Year Resolutions is to “Get Organized?” Over the past few months I’ve been helping a Boomer Dude friend get organized and he was so impressed with how much it jump-started his writing business that a light bulb went off over his Ph.D. Physicist head (no kidding, the guys a brainiac) and he suggested we take the show on the road—the teleconference road that is. That’s how I’ve come to partner with best-selling fiction author and marketing guru Randy Ingermanson to present a series of LIVE Teleseminars based on one of my most popular writer’s conference workshops. We’re calling this Teleseminar series CLEAN UP YOUR ACT and part one of our dynamic four-part series begins this Monday, January 22nd at 7:00 PM central time. Whether or not you are a writer, this Teleseminar will motivate and inspire you to get your stuff organized! For more information or to register visit:

All that said, we're going to pose a question each and every month to all you BOOMER DUDES out there in Dream-Zine land, fully expecting to hear from a lot of you, OKAY? Okay! So, in 200 words or less, answer the January question: "In what specific way do you support your Boomer Babe in her quest to achieve the dream of her heart?" Write BOOMER DUDE in the subject line and send via email to editor@boomerbabesrock.com . Refer to the Submission Guidelines at the end of this Dream-Zine for more information.

"When I decided to make conscious choices based on turning my dreams into reality, I began to make a difference—in my life and in the lives of others. You can too! Make the choice now to start living your dreams today!" says Allison in her debut column. *"Whether it's in the home, at church, in the work place or around the world, baby boomer women can make a difference."* Check out this month's issue of CWO and Allison's column titled, "It's Never Too Late!" <http://www.christianwomenonline.net/>. 8.) VA VA VA VOOM! – HOT & SASSY BOOMER BABE FICTION

A STITCH IN TIME by Allison Bottke
Bethany House Publishers – Summer 2006

Dee Decker is a successful fundraising executive in Southern California, a boomer babe who is out to prove that a middle-aged Christian woman can be faithful, fashionable, and fabulous! Dee works in a world populated by highly competitive, impossibly thin, perfectly coiffed, and designer outfitted women. Dee has never felt like she fits in, but nonetheless enjoys a well-earned reputation as being cool, calm, collected, and in control. When she discovers that her husband is having an affair, Dee embarks on a journey of self-discovery (and plastic surgery) that will transform her inside and out. But it is Dee's spiritual transformation that will bring real change

to her life and the lives of her family.

In the course of one year Dee Decker . . . has gastric bypass surgery and loses 150 pounds . . . separates from her husband. . . flourishes in her glamorous fundraiser job. . . has plastic surgery. . . buys a whole new wardrobe. . . and becomes a Christian.

This dynamic Boomer Babe is a new person inside and out, and the future looks bright. But then a job offer sends her life in a direction she hadn't expected. Her past and present are about to collide in a major way. Will Dee discover how to balance the fast-paced Southern California lifestyle with her new values?

ONE LITTLE SECRET by Allison Bottke
Bethany House Publishers - Summer 2007

A Hollywood fairy tale with all the pleasures of escapist literature mixed with gentle lessons on using the talents God has given you, *One Little Secret* is about the power of sacrifice, self-esteem, and the value of being “just a housewife.” Ursula Rhoades is a fun and hip Boomer Babe who is refreshingly different from most CBA heroines, offset by a rock star male protagonist who is captivating and gets more likable and “deeper” as the story goes on. It's just plain fun to watch these characters interact. Don't miss Allison's newest “hip lit” fiction! Read about the great contest for this book under the FUN section in this month's Dream-Zine!

9.) BOOMER BABE SPOTLIGHT

Do you have a special Boomer Babe in your life? Perhaps she's a family member, friend, co-worker, employer or business owner. You could be best of friends or maybe you only just met. If a Boomer Babe sister has made an impression on you, we want to hear about it! Send us your comments in 200 words or less by the end of each month. Write BOOMER BABE SPOTLIGHT in the subject line and send via email to editor@boomerbabesrock.com. Refer to the Submission Guidelines at the end of this Dream-Zine for more information.

A seed was planted through prayer to launch an association dedicated to inspiring women to explore their passions and live life to the fullest. www.boomerwomenspeak.com and www.nabbw.com are sister sites. Sign up to be a member today and tell them "Allison sent me!" to receive a special free gift just for you! <http://www.nabbw.com/>

14.) HIGH VOLTAGE ROMANCE

Are you happily married, divorced, never married, widowed or somewhere in between? We are now approaching what can be the most liberating or most restrictive time of our femininity. Some of us may feel the sexiest ever, while others feel as if those days are long gone. While an empty nest can bring back spontaneity for some, wrinkles and age spots are a sure turn-off for others. Some of us face a new life of dating again while others wonder how to get the "spark" back into their marriage. Well boomer babes, we're going to find some answers to the many challenges facing us in our intimate relationships with the opposite sex. Meet our own High Voltage Romance experts, Pam and Bill Farrel, relationship specialists and best selling authors of Men are like Waffles, Women are like Spaghetti and Red Hot Monogamy. The Farrels will help you fan the flame on your love life. www.farrelcommunications.com

15.) MENOPAUSE MOMENTS

Nearly a third of all American women are now between 40 and 60—and that means they are somewhere along the transition from regular menstrual cycles to a full year without any periods (the technical definition of menopause). That's more than 37 million women walking around with unstable levels of hormones. Scary. Although this is the best-educated generation of women in human history, menopause remains a mystery for most of us. I picked up the recent issue of Newsweek Magazine when the cover story headline, Understanding Menopause, caught my eye. It's a comprehensive article written by Pat Wingert and Barbara Kantrowitz. You can read it online and take a quiz called: "BEAT THE HEAT – From hot flashes to hormone therapy, test your knowledge of menopause and how to deal with it." Check it out soon...it's worth the time. www.newsweek.com Click on Health and follow the links.

16.) DIVINE BOOMER DIVA

Join us each month to discover what makes our Celebrity VIP Guest tick, through a series of thought-provoking questions and answers. This month's Divine Boomer Diva is Jill Rigby, an accomplished author, speaker, columnist, television and radio personality, and founder of Manners of the Heart Community Fund, a non-profit organization working to bring a return of civility and respect to our society. Future Divine Boomer Divas will be; Robin Jones Gunn, Liz Curtis Higgs, Angela Hunt, Donna Partow, Tracie Peterson, and others.

18.) SENIOR SECRETS

Being a senior can be a sweet deal! If you know of a great vacation spot for Boomer Babes or come across gadgets, cosmetics, and other cool stuff geared to our crowd, share your discovery! Just email editor@boomerbabesrock.com and put the words SENIOR SECRETS in the subject line.

19.) PATIO POLITICS

I know this is a sensitive topic among men and women, boomers or not, but as citizens of the USA it's a topic we must address. I would like to invite our readers to check out a blog that is billed as, "Political Commentary from a Christian Worldview." It's written by LaShawn Barber, a smart, savvy woman who is NOT a boomer babe, but let's forgive her that, okay? <http://lashawnbarber.com>

La Shawn Barber is a freelance writer, weblog consultant, and professional "blogger." Her personal blog, La Shawn Barber's Corner, has been featured on the BBC, CNN, MSNBC, and C-SPAN. Her freelance work has appeared in such publications as Today's Christian Woman, Christianity Today, Washington Post, Philadelphia Inquirer, and National Review Online. You may contact La Shawn Barber at lashawn@lashawnbarber.com.

20.) FUN

What could be more FUN than a FREE catered dinner party in YOUR home for 12 of your closest friends, INCLUDING ALLISON? Well, we think participating in our ONE LITTLE SECRET contest takes a close second. Along with the GRAND PRIZE of a catered dinner party for 12 in your home, six runners-up will receive advance copies of ONE LITTLE SECRET just before it debuts this summer. We'll publish the complete list of pesky Rules and Regulations on our web site soon, but the contest begins next month when we begin releasing CONTEST CLUES in our next Dream-Zine. All you need to participate is a Highlighter and your own copy of Allison's debut novel, A STITCH IN TIME, which will act as your Contest Clue Guide. You can purchase a copy of A STITCH IN TIME at your local bookstore or online at Boomer Babes Rock.com.

21.) FASHION

Still wearing your hair the way you did 15 year ago? Do you dress like your mother, or heaven forbid, like your daughter? Can your make-up be seen from a mile away? Is your idea of "dressed to kill" a camouflage shirt and cargo pants? Is it time for a change? If so, we invite you to take the 2007 Boomer Babes Rock "Get a New Look Girlfriend" challenge. Take a BEFORE photograph this month and during this year make a commitment to change. Change your hair, makeup, weight, or fashion style. Or change all of them! Then take an AFTER picture. Winners will receive prizes in these categories: Best Overall Change, Best New Hairstyle, Best Makeup, Best Fashion Style, Best Weight Loss, Best Weight Gain, and more. Complete rules, guidelines and prizes will appear in our March issue, but start now. Take your photo today and decide what you plan to do this year to Get a New Look Girlfriend!

22.) FOOD

Bookstore, garage sale or supermarket, like a magnet I move towards them. Their wonderful pictures all laid out in gastronomical splendor. I can almost taste the recipes waiting to be made. I do NOT need another cookbook. I have over 300 of them gracing shelves in my kitchen, laundry room, sewing room and yes, even the living room. I may never cook one recipe from these books, yet the pictures, directions and ingredients fascinate me. I must have them. Now, with cyberspace opening its doors I can visit

www.bhg.com , www.bettycrocker.com and other sites to find a great recipe, yet I will always collect my treasured cookbooks. You never know when you'll need to get your hands on a great recipe for marshmallow Rice Krispies! Do you have a favorite recipe that brings you comfort—either to make or to eat? Share it with us now. Write BOOMER RECIPE in the subject line and send via email to editor@boomerbabesrock.com . Refer to the Submission Guidelines at the end of this Dream-Zine for more information.

23.) FAMILY

In March I'll celebrate 30 years of marriage to the same man. We have two unmarried sons ages 21 and 24. Many of you are just like me. But some of you are widowed, divorced, or re-married for the second or third time, and still others have never been married. Some of you have no children and others have grandchildren. My co-worker has been married for 34 years. Both of our husbands will retire this year but we're planning to remain in the work-force. We've shared some great stories over the years, about our spouses, children and family and I'm sure we'll have more to share in the future. Sharing lets us know we are not alone, in whatever situation we find ourselves. We also share a common denominator in that we are both Boomer Babes experiencing this unique stage of mid-life together. While I have my nuclear family, I also consider my family of friends to be valuable assets in my life. For some, the term Family can mean happiness or heartbreak. Consider yourself blessed if you have family in your life, no matter how crazy they may make you! And if you find yourself in a place of loneliness or struggling for purpose, we pray you will join this network of Boomer Babe sisters and think of us as family. We are here to empower, inspire and encourage each other, and we care. – Cheryl Hutchings, Managing Editor

24.) FAITH

Have you decided to embark on a life-changing journey in the pursuit of your dream? Can you do it this time and not get side tracked for another year? Will you let things get in the way as they may have in the past? Proverbs 16:3 (NIV) reads, *Commit to the Lord whatever you do, and your plans will succeed.* This is an excellent verse for those who find strength in the Bible. Where do you find your spiritual strength? Although I speak primarily to Christian audiences, I've found myself being invited to more and more events where the audience is considerably varied. I've developed a talk for this audience called The Wheel of Life, where I share six aspects of living a balanced life, centered around God as we know him to be. It's when we put God at the center of our life, and surround ourselves with a healthy focus on equally balancing these six aspects that we can really soar with the eagles... 1. Family Relationships, 2. Personal Growth, 3. Work & Financial, 4. Physical, 5. Emotional, and 6. Spiritual. Far too often it's one or two aspects that consume our life, while others are sorely neglected. How balanced is the Spiritual aspect of your life? How balanced are all six aspects of life in YOUR life? Think about it.

25.) UNTIL WE MEET AGAIN

For decades I've had the same dream lingering in my heart. I've always wanted to write a book. Over the past few years, I've watched Allison make her publishing dreams come true as God Allows U-Turns has

grown. Now, with the birth of this Dream-Zine and the BoomerBabesRock.com web site and blog, my determination to pursue this dream and make it a reality has crystallized. Will you help me on this road I've chosen to travel? To encourage me as I take the steps needed to achieve this dream I've had for so long? That's what we're about here at Boomer Babes Rock. We're about empowering and inspiring—and often that comes by way of holding one another accountable as we take the steps needed to make life changing choices—to make decisions leading us forward and not backward. Sometimes we need to hold each others hands or lovingly kick each other in the back-side, whatever it takes to keep us propelled on our path to purpose—as we strive to achieve the dreams of our heart.

Join me in making this the year we stop talking about what we've always wanted to do and start doing it! Share your dream with someone today, as I've shared mine with you. Say it out loud. Write it down. Hold yourself accountable. And come back next month for another dose of encouragement, okay? Boomer Babes Rock!, and together we can rock our world in a mighty way!

Until we meet again, keep on dreaming!
